

Template for featured experts article submittal

1. **Title:** [Title will display in feeds and on top of article page]
2. **Featured image:** [please attach or copy image, if taken from the web please also provide image source below]
3. **Image Source:** [should be a url address]
4. **Article Body:** [there are no size restrictions, however, here are some pointers; our audience love bullet points, interesting facts, where can they get more information and resources, and they love personal stories! If being extracted from you site we only need the HTML]
5. **Your information:** [What you want your readers to know about you, a short bio works best]
6. **Contact information:** [Where/how our audience can find you. Email/phone number/website work best]

The screenshot shows the A Cup of Green website layout. At the top, there is a navigation menu with links for HOME, NUTRITION, POPULATION, ENVIRONMENTAL, EDUCATION, and GET INVOLVED. The main content area features an article titled "A Strong Booty = Healthier Body". The article includes a featured image of a person's buttocks, social media sharing buttons (Like, Tweet, Share), and a list of bullet points. A sidebar on the right contains a "Join Our Mailing List" form, a "FACEBOOK LIKE BOX" showing 1,099 people who like the page, and a "GEAR UP" section. Green arrows point to various elements: 1 points to the title, 2 to the featured image, 3 to the image source, 4 to the contact information, and 5 to the author information.
